Venue: Hangzhou is one of the important tourism cities in China, famous for its natural beauty and historical and cultural heritages. Hangzhou is the capital of Zhejiang province. It is the political, economic and cultural center of the province as well. It is one of the 15 vice-provincial level cities in China. Hangzhou covers a total area of 16596 square kilometers, with a population of 6.08 million, including 683 square kilometers of city proper area and city population of 1.69 million people. Hangzhou is located on the low reaches of Qiantang river in southeast China, with a distance of 180 kilometers to Shanghai. It is one of the key cities in the Yangzi Delta area. When Marco Polo came to Hangzhou in the 13th century, he praised it to be "the most beautiful city in the world". There is a popular saying: "Above there is heaven, below there are Hangzhou and Suzhou." Hangzhou is renowned as "Paradise on Earth", "Cultural State", "Home of Silk", "Tea Capital", "Town of Fish and Rice".
