

Dear Colleagues/Friends,

Due to concerns around the COVID-19 pandemic, and in accordance with health guidance from local government, the organizing committee has decided to cancel the organization of Social Cultural Activities scheduled on 12 August.

If you have a strong desire to visit Tianjin, a beautiful city, you are welcome to ask for advice from the Organizing Committee on site or Conference Secretariat by email (3M-NANO@cust.edu.cn).

Thank you for all your support and contribution to IEEE 3M-NANO 2022.
We do wish you and your family all the best.

Best regards,
IEEE 3M-NANO 2022 Organizing Committee
